Frankie have sent you over 60 tasks in your journey from Mundanesville through the Pleasure Dome. Tasks ranging from the trivial, to heroic feats of skill and intelligence.

Whenever you complete these challenges a bar-chart will show your increase in the various elements of your personality and Pleasure points will be awarded.

Your goal is to become a complete person and to achieve this you must reach the top on the Bar Charts (when the letters BANG will appear above the personality factors) and achieve a score of 99,000 Pleasure Points. This combination awards you the minimum requirement (99% a complete person) to search for the Special Door – the Door to the Ultimate Experience – the heart of the Pleasure Dome.

PLAY

You begin your adventure devoid of personality in an environment of suburban boredom, but don't be put off by ennui, all may not be as it appears! There are different streets and different houses, take nothing for granted. Touch everything, explore, probe, experiment – your curiosity will be rewarded. Pick up objects – some of these will help you now, others you will need to survive and succeed in the Pleasure Dome. Remember you can only carry 8 objects at a time so you need to be selective about the items you take with you; once abandoned they may not be used again.

YOUR INVENTORY

You may check your inventory at any time by pressing the FIRE button and moving the joystick downwards. To resume play immediately use the QUIT icon to close window.

As you explore the aspects of everyday life, keep your wits about you as sooner or later you will stumble upon the ...

MURDER MYSTERY

You will come across a body...who is the killer? Solve the mystery by a process of elimination:- Find all the clues which appear in windows (23 facts in all). Return to the scene of the crime, walk into the window showing the suspects and point to the killer. CAUTION: You will need to restart the game if you're wrong.

TAKE A TIP: A system of noting the clues may help your investigation.

In the quest to form your personality you must use what has been gleaned from everyday life to complete all the 'Arcade Elements'. These elements are linked within the Dome by a conduit, the ...

CORRIDORS OF POWER

This Labyrinth enables you to move at will within the Dome and connects with ➡➡

Mundanesville (though other routes may also be discovered). It can be mapped by observing the colour of manhole covers located along its path. Fireballs emerge from the manholes, Zap them and you will create additional exits.

The entrances will appear as the game is played. Learn to use the Corridors well, they will help you succeed in elements that follow and within them (when your personality is completed) will be revealed the door to the very centre of the Pleasure Dome ...

The Ultimate Screen.

THE PLEASURE DOME

Inside the Pleasure Dome are a variety of games and puzzles which must all be completed to gain sufficient points to form your personality. Through experience and inspiration you WILL succeed. There are principal entrances into this world of the mind (one from each street), however others can be found but only used once, so be prepared.

These entrances and the ones which will become evident in the Corridors of Power give access to the ...

RAID OVER MERSEYSIDE

THE ZTT ROOM

Break down the wall to enter the control section and then solve the puzzle. Use the Power of Zap to fire but be careful to dodge the bullets. (Remember you must complete the puzzle to win.)

SHOOTING GALLERY

Shoot the symbols in this final Arcade task to obtain Pleasure Points. (There is one game for each symbol).

HINT - The power of love may be of great help here.

CONTROL PLAN

As you become more familiar with the Pleasure Dome and its interface with the ordinary World, you will begin to learn the layout of the Game and be able to move quickly from one element to the next using the Corridors of Power or other methods you will discover. REMEMBER, to develop your personality completely you must finish all the tasks, for only then will the opportunity arise, to re-enter the maze and search for that Door behind which lies the secret of self discovery ... Go for it!
